

# 2008 Students Working Against Tobacco

## Mission

To **empower** a new generation of youth to become **activists** by combating the lies and deceitful tactics of the tobacco industry.

## Messengers of truth about Big Tobacco

**SWAT (Students Working Against Tobacco)** is a student led, Anti-tobacco organization located at 12 of our middle and high schools. Programs are developed to support the mission through advocacy and education related initiatives. A strong partnership between the Bay District Schools and Bay County Health Department positively impacts the success of this Tobacco Prevention Program. Bay SWAT Action Meetings are held the 4th Tuesday of each month from 2:30—5:00 at New Horizons School. SWAT's 2007—2008 school year theme was:

## We Want Truth Justice Action A Solution
