

A woman with dark hair, wearing a light-colored cardigan over a blue shirt, is feeding a baby with a spoon. The baby is wearing a white bib and looking towards the spoon. The background is a soft, out-of-focus indoor setting.

*¿Esta  
contribuyendo  
a las futuras caries  
de su bebe?*

**Dental Program**

Improving Oral Health

El compartir alimentos, cucharas, y chupetes con su bebe trasmite bacterias (gérmenes) que causan caries dentales.
