

## MEMBERSHIP APPLICATION

The mission of the **Volusia County Tobacco-Free Partnership** is to develop and implement innovative prevention and education activities that empower *Volusia County* residents to promote healthy lifestyles through:

- Creating positive attitudes toward tobacco-free lives
- Reducing the initiation of tobacco use
- Promoting and supporting smoke free communities
- Assisting tobacco users in quitting

Our work takes a variety of styles and skills. Please check those areas in which you might share your talents and interests.
