INFORMATION AND INSTRUCTIONS FOR DEATH RECORD APPLICATION

AVAILABILITY: Death registration was not required by state law until 1917, however there are some records on file at the Bureau of Vital Statistics dating back to 1877.

ELIGIBILITY:

WITHOUT CAUSE OF DEATH: Any person of legal age (18) may be issued a certified copy of a death record without the cause of death.

WITH CAUSE OF DEATH INFORMATION: Death records with the cause of death information may only be issued to the following individuals: the decedent's spouse or parent; to the decedent's child, grandchild or sibling, if of legal age; to any person who provides a will, insurance policy or other document that demonstrates his or her interest in the estate of the decedent, or to any person who provides documentation that he or she is acting on behalf of any of the above named persons. All requests for certification of a death certificate that includes the cause of death information must include signature of the applicant, state his or her qualifying eligibility, or a notarized Affidavit to Release Cause Of Death Information (DH Form 1959), which is available upon request. If after reading the above information you are still uncertain regarding your eligibility for cause of death information, call our office (904) 359-6900 extension 9000 for assistance.

The funeral director associated with the funeral home listed on the death record, or attorney representing an eligible person listed above must include their signature, professional license number, and the name and relationship of the person they are representing. If you are a funeral director **not** associated with the funeral home listed on the death record, or an attorney not representing someone listed above as eligible to receive cause of death information, then a completed Affidavit to Release Cause of Death Information (DH Form 1959) must accompany this request.

Cause of death information on death records over 50 years old is available to anyone completing an application and submitting the required fee.

NOTE: Florida clerks of court will not accept a death record with cause of death information when filing probate.

INFORMATION NEEDED: A search cannot be made without the decedent's name and year of death. If any of the other items requested on the front of this form are unavailable, other identifying information (such as parents' names, birthplace, etc) may be helpful if multiple records are found for common names.

APPLICANT'S SIGNATURE: Applicant's signature is required, as well as his/her name, valid residence address and telephone number.
