

Month of Reported Progress:

June

PACE EH Coordinator/Contact Name:

Page Barningham

CHD Name:

Lake County Health Department

EH Manager/ Administrator:

Russell Melling/Pam Steinke, RN, MA

Has EH Manager/Administrator reviewed and approved this report?:

Yes

Is your PACE EH survey complete?:

Yes

If your PACE EH survey is complete, list your PACE EH community's top identified issues.:

1. Transportation
2. Lighting
3. Appearance- Litter & Abandoned Structures
4. Crime
5. Roaming Animals

Concisely summarize this month's activities.:

o Public Assistance day June 10th at the South Umatilla Community Building (see attached)

I'm told it was the 'first of it's kind' event in county♣

Highly successful- about 200 citizens attended, including community♣ residents!

Services available at the event included: job applications,♣ unemployment compensation and food stamp applications, Kid Care, Health department services info, Elder Affairs, & Lake Xpress Transportation information

o Transportation- #1 identified issue- (see attached)

New bus♣ route through community starts July 1st! Rides on the new route are free for the first month; students ride free all summer.

Links community to♣ local resources such as the closest local Walmart, Umatilla City Hall, the Health Department, Post office, with the ability to transfer to other bus route linking to other side of the county-Leesburg/The Villages

LakeXpress♣ representative expressed interest in attending community meeting to inform South Umatilla residents

o Community Survey Follow-up

Survey moved to Saturday, July♣ 11th due to conflicting schedules with community volunteers

Looking to♣ utilize new bus route passes as incentives in follow-up community survey. The use of a bus pass as an incentive for this survey benefits the purposes of the PACE-EH project grant as below:

1. increases community awareness of the newly available bus resource, as part of the community action plan for the top issue of Transportation
 2. new bus route usage links the South Umatilla residents to local health and community services
 3. encourages participation in survey
- 4♣ teams- 1 community volunteer and 1 Lake CHD staff per team
- Same survey♣ as initially, randomly distributed
