

# CLINICAL LABORATORY PERSONNEL

## Continuing Education Requirements

---

### For Initial Renewal

Licensees initially licensed within the biennium are exempt from the continuing education (CE) requirements for renewal with the exception of:

- Two (2) hour course relating to prevention of medical errors
- One (1) hour of HIV/AIDS CE

### For Renewal of License Following Your First Biennium

Licensees are required to complete 24 hours of CE each biennium:

- One (1) hour of Florida laws and rules CE
  - Note:** Laws and Rules may be obtained by attending a board meeting which disciplinary hearings are conducted
- Two (2) hour course relating to prevention of medical errors
- One (1) hour of HIV/AIDS CE
- *For Licenses with a Specialty* – one (1) contact hour CE in each of the specialty categories in which you are licensed
  - Note:** Licensees *adding* a specialty category to existing license are exempt from the one (1) contact hour CE in that specialty category for that biennium
- *For Director/Supervisor Licensees* – one (1) hour in administration and supervision CE
  - Note:** Licensees upgrading to a Director/Supervisor are exempt from the one (1) contact hour CE in administration and supervision for that biennium
- 20 hours in general CE
