

**IMPORTANT MESSAGE –**

The Department of Health, Division of Medical Quality Assurance, is dedicated to protecting your personal information against fraud and scams.

You can help protect your license and personal bank accounts by being cautious in giving out your own personal information such as first name, last name, business name, email address, userid/password, financial information (credit card, bank account number, PIN), social security number, and driver's license number. We will never request personal credit card or bank account information over the telephone. If we require information from you, we will notify you in writing and request that you provide the information by mail or online only after you have safely and securely logged in to your account.

If you believe that someone may be using your account without your permission, please contact us immediately.
