

**Registered Pharmacy Technicians are only required to obtain** twelve (12) hours of continuing education for the first renewal cycle ending on December 31, 2012. Any continuing education hours earned after January 1, 2010 may be used to fulfill the renewal requirements for the renewal of the license. Of the twelve (12) hours, one (1) hour must be a Board approved HIV/Aids course and two (2) hours must be a Board approved Medication Errors course. At least two (2) of the required 12 hours must be obtained as "live" continuing education. Technicians licensed after January 1, 2012 are only required to complete a one (1) hour Board approved HIV/Aids course.
