**IV. Other Announcements**

Several months ago, PSU as a whole was given assigned a project to eliminate all cases that are older than 2008. I am happy to let you know that all 4 of the 2008 & Older cases referenced above will appear on the December agenda for final action. The deadline in PSU is June 2012, but as you can see we'll clearly finish this goal early.

For the 3rd consecutive meeting the Nursing Section has agendaed over 200 cases for resolution. Since the beginning of the calendar year, the nursing section has placed 1066 cases on the Board's agenda, and we still have the December meeting coming this year! Additionally, since January 2011, the Nursing Section has put a total of **1,789** cases before our dedicated PC Panels. I can tell you all that without this level of production at PCP we could never have the number of cases we've been able to put before the Board. As you are aware, the attorneys in the Nursing Section also prosecute for the Boards of Osteopathic Medicine, Pharmacy, Podiatric Medicine and Midwifery. These numbers do not include those other professions that the attorneys in the Nursing Section have prosecuted simultaneously with this Board's cases. I also want to say to those of you that serve on PCPs, thank you all. It is not an easy task at all. In that same line of thinking, I would like to thank your board staff and board counsels for working

so hard with us on setting up several special ESO PCP panels. Thank you Joe, Terri, Lee Ann, Rachel, Marcella and everyone else involved! Excellent teamwork!

**Thank You!**
