

Opticianry

Renewal Information

General Information:

- License must be renewed every two years - expires December 31 of each even year.
- Failure to receive application for renewal does not relieve a licensee of the responsibility to renew.
- 20 credit hours of approved continuing education are required per biennium
CE Page: http://www.doh.state.fl.us/mqa/opticianry/do_ceu.html
- Do not send in CE information. Licensee shall retain documentation showing completion of CE requirements for a period of 4 years from the beginning of the biennium for which credit is claimed.
- Random audits will be conducted to assure CE requirements are met.
- Licensee may elect at renewal time to place license in inactive status. Inactive licenses must be renewed biennially including payment of renewal fee.

Re-Instatement of Delinquent License:

- Submit a written request for either active or inactive status.
- Submit either the active status or inactive status fee, whichever is applicable.
- Submit the delinquent status fee and, if applicable, the change of status fee.
- If electing active status, submit proof of compliance with the continuing education requirements of Rule 64B12-15.001, F.A.C.

Re-Activation of Inactive License:

- Submit a written request for reactivation.
- Submit the reactivation fee and, if applicable, change of status fee.
- Submit the applicable renewal fee,
 - If requesting reactivation during the licensure renewal cycle, submit the active renewal fee.
 - If requesting reactivation outside the renewal cycle, submit the difference between the inactive renewal fee and the active renewal fee, plus the change of status fee.
- Submit proof of compliance with the continuing education requirements as set forth in Rule 64B12-15.001, F.A.C., for each biennium the license was in inactive status.
