

Dispensing Practitioner Registration

Dispensing – is defined as selling medicinal drugs to patients in the office. A practitioner who writes prescriptions or provides complimentary professional samples is not a “dispensing practitioner,” and therefore does not need to register with the department.

The fee for registration as a dispensing practitioner is \$100.00 over and above the required license renewal fee. Please type or print the following information and return the form. Do not complete this form unless you wish to sell medicinal drugs from your office and comply with all inspection requirements.

License Number: _____

Name: _____

Mailing address: _____

Practice location address: _____

I dispense medicinal drugs for a fee from the practice location address listed above and understand an annual inspection of my dispensing records will be conducted. I also understand the addresses listed above will be changed by the Department and be reflected on my dispensing license.
