

## Other Payer Code Information

**To: Interested Parties of the Board of Physical Therapy Practice**  
**Re: Registration for 'Other Payer Codes'**  
**Date: March 23, 2010**

---

The Florida Department of Health, Division of Medical Quality Assurance (MQA), is pleased to offer employers, recruiters and schools of Physical Therapist and/or Physical Therapist Assistant applicants an option to pay for the applicant's licensure fees.

Beginning in March 2010, Physical Therapists and Physical Therapist Assistants may complete and submit an application for licensure online. Instead of providing their own credit card for payment, applicants will have the option to enter the 'Other Payer Code' to complete the application process. The application will be uploaded for processing and will stay in pending status until the other payer makes payment.

Interested parties will need to register with the Florida Board of Physical Therapy by providing, in letter format, their Business Name, Mailing Address, Phone Number and Federal ID Number. In addition, we will need a contact person and email address. Please indicate if you require more than one payment code, or a code expiration date and sign the letter indicating that all of the provided information is true and correct. Please mail this letter to:

Florida Board of Physical Therapy  
4052 Bald Cypress Way, Bin # C-05  
Tallahassee, Florida 32399-3254

Once the third party payer is registered, the Florida Board of Physical Therapy will mail a notification letter including the payment code and instructions on how to submit payment for applicants who applied for a Physical Therapist or Physical Therapist Assistant license. The third party payer will need to provide their "Other Payer Code" to applicants prior to them applying.

Third party payers who elect to use the Other Payer Code will be required to log-on to MQA's secure on-line services website to approve and submit payment. The payer will be able to deselect applicants who are not eligible to use their 'Other Payer Code'. Then the payer will be prompted to a Credit Card payment screen where they can pay by using Visa, MasterCard, Discover, or American Express.

Third party payers wishing to pay by check will need to send a cashiers check or money order along with a list of applicants and their file number. Applicants are issued a file number as a part of their application confirmation e-mail. The applicant's file number is required when submitting payments by this method:

Department of Health  
Post Office Box 6330  
Tallahassee, FL 32314
