

# Who should I call??

We all know that it is sometimes difficult to determine which department to call when you need to report a violation or get information. Some of the calls Code Enforcement receives are actually handled through other departments. We hope you find the following information helpful.

Please contact the following department for the listed violations or information:

Abandoned or parked vehicles in the right-of-way

Sheriff's Office 352-754-6830

Building codes for structures such as homes, sheds and other buildings (not fences)

Development Services 352-754-4050.
